Current Neurology 2014

Presented by
Department of Neurology  |  Baylor College of Medicine  |  Houston, Texas

Friday, November 14, 2014 – Saturday, November 15, 2014

The Houstonian Hotel
111 North Post Oak Lane  •  Houston, TX 77024

COREY E. GOLDSMITH, MD
Activity Director  |  Assistant Professor of Neurology

Jointly provided by

Baylor College of Medicine

CHI St. Luke’s Health
Baylor St. Luke’s Medical Center

Register online at BaylorCME.org/CME/1493
Neurology is a continually evolving medical specialty. The rapid advances in the science and technology associated with this field makes it challenging for the busy practitioner to stay up-to-date. This educational program will provide practical, evidence-based information regarding the diagnosis, evaluation, and management of critically important neurological disorders.

This activity is designed for specialists in neurology who see patients with a broad range of neurological disorders.

At the conclusion of the activity, participants should be able to:

• Assess the efficacy, safety profile, mechanism of action, pharmacokinetics, and side effects of the newly approved anti-epileptic drugs (AEDs).
• Identify neuromyelitis optica spectrum disorders and discuss available treatment options.
• Explain novel oral anticoagulants available for stroke reduction in patients with atrial fibrillation.
• Employ new management strategies for patients with migraines and other chronic headache disorders.
• Derive a diagnostic algorithm for evaluating and diagnosing a patient with common non-specific neuromuscular complaints such as fatigue, cramps, or hyperCKemia.
EDUCATIONAL METHODS AND EVALUATION
Lectures ♦ Evaluation by questionnaire will address program content, presentation, and possible bias.

ACCREDITATION/CREDIT DESIGNATION
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Baylor College of Medicine and CHI St. Luke's Health-Baylor St. Luke’s Medical Center. Baylor College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 14.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The presentation, A Legal Primer for Neurologists, has been designated by Baylor College of Medicine for 1.0 credit of education in medical ethics and/or professional responsibility.

The presentation, Ethical and Practical Advice on Disability, has been designated by Baylor College of Medicine for 1.0 credit of education in medical ethics and/or professional responsibility.

FEE, REGISTRATION, AND CONFIRMATION INFORMATION
Refer to the registration form for the fee schedule. Your registration will not be processed until payment is received. If you have not received confirmation at least five business days before the activity start date, contact the Office of CME (OCME) immediately.

If you plan to register on-site, contact the OCME at least 24 hours in advance to confirm activity status and space availability. The OCME reserves the right to limit the number of participants in an activity and will not be responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available. To register/pay online visit the activity website at BaylorCME.org/CME/1493 and follow the instructions.

CANCELLATION/REFUND POLICY
Requests for registration refunds must be in writing and received by the OCME at least ten business days before the activity begins. The date the request is received by the OCME will be considered the cancellation date. Requests received after the refund deadline will not be processed. Cancellations are subject to a $50 administrative fee deducted from the registration fee paid to cover guarantees and other expenses. Requests should be mailed to the OCME or faxed to 713.798.7955.

The OCME reserves the right to cancel activities, not less than ten business days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number indicated on the registration form followed by written notification. If an activity is cancelled, the OCME’s liability is limited to the registration fee paid. Note: If payment is made by check, a social security number is required to process the refund.

Visit our website located at BaylorCME.org for information about Baylor College of Medicine CME activities.
ACCOMMODATIONS
Accommodations should be arranged directly with The Houstonian Hotel. Please identify yourself with the Current Neurology 2014 conference when making reservations in order to benefit from the special group rate of $199 single/double. Rooms have been reserved at the special rate on a space available basis. The deadline to receive the special rate is October 23, 2014 unless the room block has already been filled. Reserve your room early.

CONFERENCE LOCATION
The Houstonian Hotel
111 North Post Oak Lane
Houston, TX  77024
713.680.2626  |  houstonian.com
