Student Corner: Arina Chesnokova

Arina Chesnokova (second row on the left), a third-year medical student at Baylor College of Medicine, was selected to serve as guest editor on the March issue of the American Medical Association Journal of Ethics. Several Baylor faculty members, including Dr. David Eagleman, contributed articles on a wide range of health policy and law topics for this issue.

Early booking now open for 2017 South Africa trip

The Office of Alumni Relations is offering a journey through South Africa in March and April 2017. You'll stay aboard the five-star M.S. Zambezi Queen for a land and sea safari. The itinerary also includes visits to South African landmarks that played a major role in Nelson Mandela's fight for freedom. Early registration deals end on June 24.
