Dear Baylor Alumnus,

Welcome to the latest issue of Alumni Newslink. Having just celebrated Match Day on campus, Baylor College of Medicine is in high gear to welcome you to Reunion Weekend in April. Please read about reunion events in an update from the Alumni Association President Dennis O’Brien. We also have the Dean’s Update from the School of Allied Health Sciences and a new trip opportunity to "Pearls of Southeast Asia."

Please feel free to contact me at president@bcm.edu with your questions and comments.

Paul Klotman, M.D.
President & CEO
Executive Dean

Alumni Association President
Dennis O’Brien invites you to join in Reunion Weekend and other events

The Alumni Association provides many unique ways for Baylor College of Medicine graduates to engage with their alma mater. Alumni Weekend will occur April 27-29 and we host multiple receptions throughout the year. You might also want to consider mentoring a Baylor graduate.

Resident-Alumni Connection Program

The Resident-Alumni Connection Program links Baylor College of Medicine medical students with alumni in the cities where they match for their residencies. It is an important program that allows alumni to mentor up-and-coming talent and make their residencies more successful. Please consider mentoring a medical student in your community. Contact Alex Hopkins at 1.844.BCM.ALUM (226.2586) or alumni@bcm.edu for more information.

Pioneer in minimally invasive heart surgery joins Baylor College of Medicine and Baylor St. Luke’s Medical Center

Please welcome Joseph Lamelas, M.D., F.A.C.S., as the associate chief of cardiac surgery in the Michael E. DeBakey Department of Surgery. Dr. Lamelas has performed over 14,000 cardiac procedures in over 26 years of practice.
