“Can you Fill This Out For Me?” – Ethical Responding in Disability and Other Legal Arenas

Gregory R. Beaulieu, Ph.D.
Assistant Professor
Menninger Department of Psychiatry
Baylor College of Medicine and Michael E. DeBakey VA Medical Center
Houston, Texas

Jared D. Bernard, Ph.D.
Assistant Professor
Menninger Department of Psychiatry
Baylor College of Medicine
Houston, Texas

Objectives: At the conclusion of this session, participants should be able to:
- distinguish between the roles of treating clinician and forensic expert;
- identify pitfalls that would confuse the treating and consulting role;
- describe how to respond to requests for clinical opinions without rendering legal opinions.

This activity has been designated by Baylor College of Medicine for 1 credit of education in medical ethics and/or professional responsibility.

February 22, 2017

Faculty Meeting

Target Audience, Needs, Educational Methods, Activity Evaluation: Physicians, residents, fellows, and healthcare professionals from a variety of disciplines need to be updated in a wide variety of topic areas which address all aspects of psychiatric practice including psychopharmacology, psychodynamic psychotherapy, ethics in psychiatric practice, and the treatment of select patient population. This activity aims to address the continuing interest of mental health practitioners in contemporary thinking and research regarding a wide variety of clinical issues confronted in clinical practice. Given the continuous expansion of the understanding of the biological mechanisms for some psychiatric illnesses, all mental health professionals’ educational needs are well served by ongoing exposure to the latest clinical research. Educational methods will include lectures, case presentations, audio/video presentations, panel discussions, and question & answer sessions. Participants will be asked to complete an activity evaluation.

Accreditation/Credit Designation

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Menninger Department of Psychiatry and Behavioral Sciences, Baylor College of Medicine, (License Number: 4066) is approved as a provider of continuing education in Social Work by the Texas State Board of Social Worker Examiners. This activity has been approved for .1 CEU.
