### November 1, 2017

**Chronic Pornography Use and Other Sexual Excesses: A Guide for Clinicians**

**Karen A. Lawson, MPH, Ph.D.**
Assistant Professor/Faculty Psychologist
Menninger Department of Psychiatry
Baylor College of Medicine
Houston, Texas

Objective: At the conclusion of this session, participants should be able to:

- diagnose problematic sexual behavior in clients;
- identify co-existing factors in clients which may contribute to chronic pornography use;
- describe intervention techniques which can be helpful in clients with problematic sexual behavior.

### November 8, 2017

**The Schoolar Lecture in Psychopharmacology**

**Targeting Glutamate in Psychiatric Disease**

**John H. Krystal, M.D.**
Chair, Department of Psychiatry
Yale School of Medicine
New Haven, Connecticut

Objective: At the conclusion of this session, participants should be able to:

- describe glutamate synaptic dysfunction and its role in cortical network dysregulation in schizophrenia and depression;
- develop a developmental perspective on cortical network dysfunction in schizophrenia;
- describe novel glutamatergic treatments for these disorders.

**November 22, 2017**  
**NO GRAND ROUNDS**

**Happy Thanksgiving!**

---

**November 29, 2017**  
**Mechanisms of Timing and Prevention of Suicidal Behavior**

**Alan C. Swann, M.D.**  
Professor, Menninger Department of Psychiatry  
Baylor College of Medicine  
Mental Health Care Line  
Michael E. DeBakey VA Medical Center  
Houston, Texas

Objective: At the conclusion of this session, participants should be able to:  
- identify interacting mechanisms of long term, short term and immediate suicide risk;  
- describe roles of environmental and social factors that influence these mechanisms;  
- use strategies that address these factors to proactively address suicide risk.

---

**Target Audience, Needs, Educational Methods, Activity Evaluation:** Physicians, residents, fellows, and healthcare professionals from a variety of disciplines need to be updated in a wide variety of topic areas which address all aspects of psychiatric practice including psychopharmacology, psychodynamic psychotherapy, ethics in psychiatric practice, and the treatment of select patient population. This activity aims to address the continuing interest of mental health practitioners in contemporary thinking and research regarding a wide variety of clinical issues confronted in clinical practice. Given the continuous expansion of the understanding of the biological mechanisms for some psychiatric illnesses, all mental health professionals’ educational needs are well served by ongoing exposure to the latest clinical research. Educational methods will include lectures, case presentations, audio/video presentations, panel discussions, and question & answer sessions. Participants will be asked to complete an activity evaluation.

**Accreditation/Credit Designation**

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 1.0 **AMA PRA Category 1 Credit™.** Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Menninger Department of Psychiatry and Behavioral Sciences, Baylor College of Medicine, (License Number: 4066) is approved as a provider of continuing education in Social Work by the Texas State Board of Social Worker Examiners. This activity has been approved for .1 CEU.

This series is broadcast to The Menninger Clinic, Classroom(s): 5128 & 5130, Texas Children’s Hospital, Psychiatry Department, Conference Room # S.200.10, and the Harris Health System – Ben Taub Hospital, Conference Room: 2.133, NPC, 2nd Floor.
