MISSION ▼

Baylor College of Medicine is a health sciences university that creates knowledge and applies science and discoveries to further education, healthcare and community service locally and globally.

VISION ▼

Improving health through science, scholarship and innovation.

VALUES ▼

RESPECT
Integrity
INNOVATION
Teamwork
Excellence

PHILANTHROPY ▼

Baylor College of Medicine is a global leader in biomedical education, innovative research and cure discovery. Philanthropy is a key driver in our quest to accelerate our research programs and bolsters the activities of our educators, our learners and our ability to invest in creating the ideal patient experience. In 2018, The Baylor philanthropic mission received and stewarded more than 6,500 gifts and raised more than \$37 million. Supported by an engaged Board of Trustees, a global cadre of alumni and an active volunteer base, we are working to increase our donor base regionally, nationally and internationally.

Patients are at the heart of everything we do.

To us, this means delivering individualized, cutting-edge diagnosis and treatment in a compassionate manner to everyone. Our patients have access to the latest advances in medicine thanks to close collaborations between our physicians and scientists.

Baylor's private adult practice, Baylor Medicine, includes nationally and internationally recognized physician experts and care teams, offering an array of services from primary care to highly specialized procedures. Our physicians care for patients in locations within the Texas Medical Center as well as other locations throughout Houston.

Our primary private adult teaching hospital is Baylor St. Luke's Medical Center in the Texas Medical Center, which is a part of CHI St. Luke's Health. Baylor physicians and trainees also care for patients at:

- Ben Taub Hospital
- Children's Hospital of San Antonio
- Memorial Hermann - The Institute for Rehabilitation and Research
- The Menninger Clinic
- Michael E. DeBakey Veterans Affairs Medical Center
- Texas Children's Hospital
- The University of Texas MD Anderson Cancer Center

EDUCATION ▼

Baylor College of Medicine educates healthcare providers and scientists in programs considered among the elite in the world.

Degree programs at Baylor include:

- M.D. program
- Dual degree programs (M.D. plus Ph.D., M.B.A., M.P.H., or J.D.)
- Ph.D. programs
- A doctoral program in nurse anesthesia
- A physician assistant program
- An orthotics and prosthetics program
- A genetic counseling program

A diploma course in tropical medicine prepares individuals interested in this growing field for certification.

The College has over 100 ACGME-accredited programs, with others in the process, and more than 50 approved by the Texas Medical Board.

Practicing physicians throughout the Texas Medical Center and from around the world participate in our continuing medical education programs, including many free online offerings.

8 DEPARTMENTS RANK IN THE TOP 25 IN RESEARCH FUNDING FROM NIH, INCLUDING A #1 RANKING IN GENETICS, WHICH HAS HELD THIS POSITION SINCE 2011.

OUR FACULTY INCLUDES

5 FELLOWS OF THE NATIONAL ACADEMY OF INVENTORS

8 MEMBERS OF THE NATIONAL ACADEMY OF SCIENCES

13 MEMBERS OF THE NATIONAL ACADEMY OF MEDICINE

16 FELLOWS OF THE AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE

22 MEMBERS OF THE ASSOCIATION OF AMERICAN PHYSICIANS

40 INDIVIDUALS WITH NIH CAREER DEVELOPMENT AWARDS

Baylor College of Medicine partners with local leaders to serve the communities of Houston and the world through:

Innovative **healthcare delivery models** such as

- Baylor International Pediatric AIDS Initiative at Texas Children's Hospital
- Baylor Global Initiatives
- Healthcare for the Homeless
- Houston Shoulder to Shoulder
- Community Health Clinics
- School-Based Clinics
- Teen Health Clinics

Research designed to develop new approaches to prevention, diagnosis and treatment that fulfill specific community needs, including

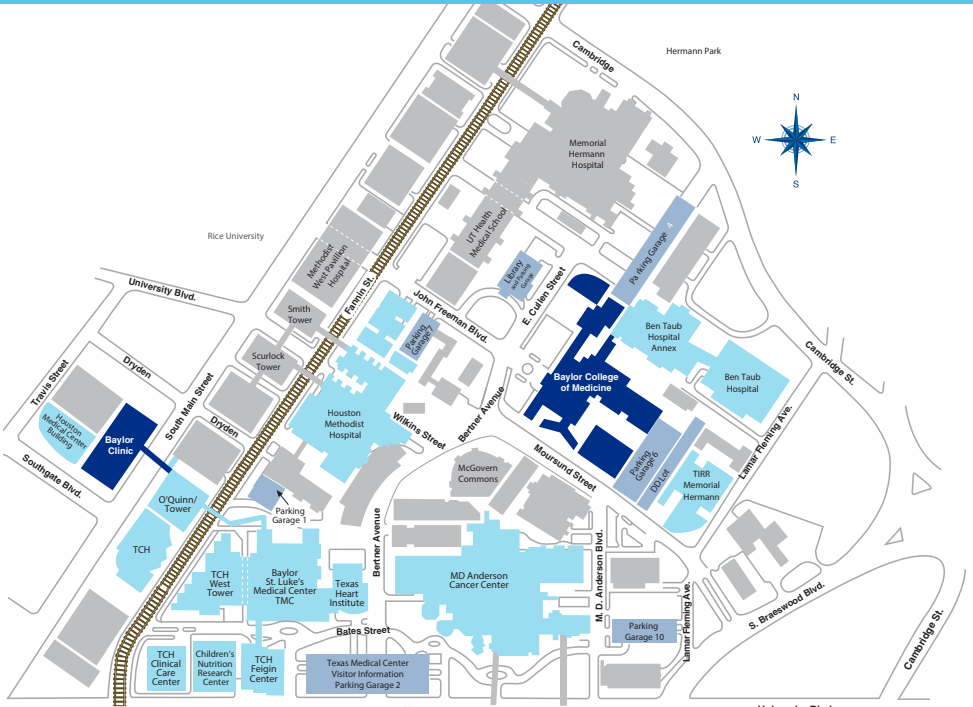

- Center for Medical Ethics and Health Policy
- Center for Precision Environmental Health
- Children's Nutrition Research Center
- The Dan L Duncan Institute for Clinical and Translational Research
- National School of Tropical Medicine
- Office of Outreach and Health Disparities of the Dan L Duncan Comprehensive Cancer Center
- Undiagnosed Diseases Network

Education outreach programs that help every student to achieve his or her full potential, including

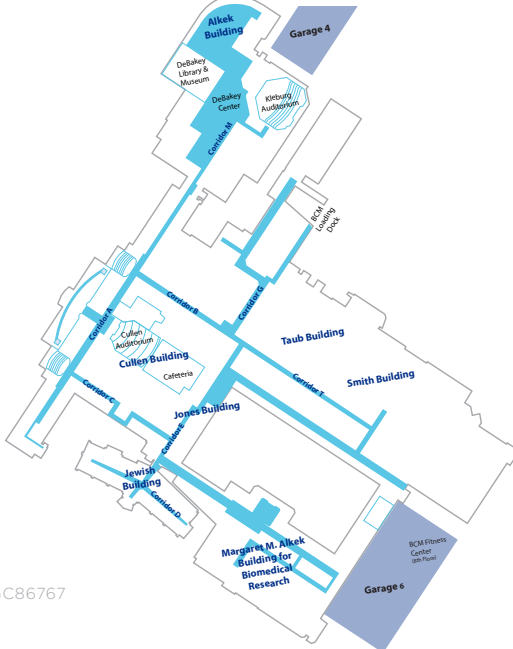

- 2 middle schools
- 4 B.S./M.D. programs
- 9 high schools
- BioEd Online
- Teacher professional development programs
- Programs designed to promote diversity in medicine and biomedical research
