Hiding in Plain Sight: Child Trafficking and a City’s Effort to Identify and Protect

Reena Isaac, M.D.
Assistant Professor
Department of Pediatrics
Baylor College of Medicine

Objective: At the conclusion of this session, participants should be able to:
• Distinguish risk factors and common presentations of child trafficking.
• Identify behavioral and physical manifestations of victims and survivors of trafficking.
• Identify local and regional resources for survivors of child trafficking and engage in the areas of prevention.

This activity has been designated by Baylor College of Medicine for 1 credit of education in medical ethics and/or professional responsibility.

December 19, 2018

Having Impact Outside of Our Typical Roles as Mental Health Professionals

Chad Lemaire, M.D.
Clinical Assistant Professor
Menninger Department of Psychiatry
Baylor College of Medicine

Objective: At the conclusion of this session, participants should be able to:
• Determine ways that finding meaning outside of our work lives can help combat burnout.
• List ways that we can combat social determinants of health in the office setting and outside of work.
• Name several methods for getting involved in advocacy efforts.

This activity has been designated by Baylor College of Medicine for 1 credit of education in medical ethics and/or professional responsibility.

SEE OTHER SIDE
Target Audience, Needs, Educational Methods, Activity Evaluation: Physicians, residents, fellows, and healthcare professionals from a variety of disciplines need to be updated in a wide variety of topic areas which address all aspects of psychiatric practice including psychopharmacology, psychodynamic psychotherapy, ethics in psychiatric practice, and the treatment of select patient population. This activity aims to address the continuing interest of mental health practitioners in contemporary thinking and research regarding a wide variety of clinical issues confronted in clinical practice. Given the continuous expansion of the understanding of the biological mechanisms for some psychiatric illnesses, all mental health professionals’ educational needs are well served by ongoing exposure to the latest clinical research. Educational methods will include lectures, case presentations, audio/video presentations, panel discussions, and question & answer sessions. Participants will be asked to complete an activity evaluation.

Accreditation/Credit Designation

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Menninger Department of Psychiatry and Behavioral Sciences, Baylor College of Medicine, (License Number: 4066) is approved as a provider of continuing education in Social Work by the Texas State Board of Social Worker Examiners. This activity has been approved for .1 CEU.
