Dear Baylor Alumnus,

Baylor College of Medicine is ready to welcome graduates to Alumni Reunion 2018, starting with the Alumni Awards dinner Thursday, May 3, and continuing through May 5. In this issue of the Alumni Newslink, we celebrate the success of our recent Texas on My Mind event, which raised $2.7 million to support mental health programs at the Menninger Department of Psychiatry and Behavioral Sciences.

You are always welcome to contact me at president@bcm.edu with your questions and comments.

Paul Klotman, M.D.
President & CEO
Executive Dean

School of Medicine gets ready to change interview protocol

The Baylor College of Medicine brand is synonymous with excellence in education, research and patient care. As leaders in the teaching field we always want to better our mission. That is why, beginning in June 2019, the College will initiate a new and more equitable process for interviewing prospective School of Medicine students.

Multiple mini-interviews, as the name implies, consist of several interviews conducted by a rater at different stations to gauge an applicant’s performance across many different scenarios related to the medical profession.

Baylor seeks to increase Alumni volunteer opportunities
At Baylor College of Medicine we are interested in improving and increasing our opportunities for alumni involvement. We want to know how you volunteer your time, as an alumnus of Baylor. This will help us ensure we are providing opportunities in interest areas to meet your career growth and personal goals. Please let us know at the link below the time you spend:

- Volunteering as a mentor
- Lecturing at the College
- Leading grand rounds
- Interviewing students for admission
- Serving on committees
- Writing letters of recommendation

Please share your other ideas

Partnership gala raises $2.7 million for mental health

The Partnership for Baylor College of Medicine’s 2018 gala, “Texas on My Mind,” celebrated Baylor’s 75 years in Houston and raised more than $2.7 million to support mental health programs at the Menninger Department of Psychiatry and Behavioral Sciences. The McIngvale family, owners of Gallery Furniture, were honored for their mental health advocacy and contributions to the Houston community and to Baylor. The event, chaired by Penny and Paul Loyd, welcomed more than 400 guests on April 20 to the new Post Oak Hotel at Uptown Houston.

Drs. Hotez and Zoghbi honored by American Academy of Arts and Sciences

Dr. Peter J. Hotez, professor and dean of the National School of Tropical Medicine at Baylor College of Medicine, and Dr. Huda Y. Zoghbi, professor and Howard Hughes Medical Institute Investigator at Baylor, both also with Texas Children’s Hospital, have been elected as the newest members of the American Academy of Arts and Sciences, one of the nation’s most prestigious honorary titles. The Academy is one of the country’s oldest societies and independent policy research centers.
