HURRICANE HARVEY 2 YEARS AFTER A SYMPOSIUM

This symposium will highlight selected research and organizational activities that occurred during and after the storm, and provide an update on key milestones and data obtained from associated disaster research response activities with the local community and other stakeholders.

This event is hosted by:

Section of Epidemiology and Population Science, Department of Medicine, Baylor College of Medicine.

Gulf Coast Center for Precision Environmental Health, Baylor College of Medicine with support from the National Institute of Environmental Health Sciences (NIEHS) under Award Number P30ES030285.).

With additional support from the Environmental Health Service, Department of Medicine, Baylor College of Medicine.
